Dear Mayor Wiles:

With great regret, I must submit this letter of resignation to you from the Somerset Architectural Review Board. Last week, I was notified by the Governor's Office of my appointment to the Kentucky Board for Elementary and Secondary Education and was advised by them that I would be unable to continue to serve as an appointee of the city's S.A.R.B., also.

I have enjoyed my tenure on the Architectural Review Board and consider it an honor and a privilege to have served in this capacity. You are to be commended for the vision in creating this Board, and Gib Gosser, Jerry Dixon, and the other members of the Board are to be commended for their hard work and dedication to the idea of preserving the beauty of Somerset's past. I certainly wish them well as they continue their task.

Thank you so much for appointing me and allowing me to serve.

Sincerely,

cc:Gib Gosser

Somerset City Council
c/o Mayor's Office
Somerset, KY 42502

Dear Sirs and Madams,

This letter is to request the closing of Pumphouse Road on Wednesday, July 3, 2002 from it's intersection with Russell Dyche Memorial Highway (Hwy. 80) to it's intersection with East Somerset Church Road, from 9:30pm to 10:45pm. This closing will be necessary for the safety of possible passersby during the annual fireworks show presented by East Somerset Baptist Church.

During last year's show, many motorists stopped on the road to watch from what could prove to be dangerous vantage points. It is my wish for all who want to enjoy the music and fireworks to do so from a safe distance. Therefore, I have spoken with the manager of the Chevron station on the corner of Pumphouse Rd and Hwy. 80, and she has agreed with this closing, as well as possible spectators at that property.

Thank you for your consideration of this request, made in the interest of public safety.

Sincerely,

Craig T. Allen
