PRESS RELEASE: FROM THE OFFICE OF THE MAYOR

Effective Saturday morning, August 26th, the former YMCA facilities located at 100 East Somerset Church Road will be under the direction of the City of Somerset. The hours of operation will remain the same and city officials are working closely with the facility to ensure many of the wonderful programs offered to the community remain intact.

We appreciate the patience you've shown as we work with Somerfit and the Somerset Independent School System to facilitate a smooth transition into what will be a facility that the entire community can continue to find beneficial.

Staff members will be on hand to answer any questions you may have as we move forward in the coming months.
