

HOUSEHOLD CHECKLIST

“ONLY RAIN IN OUR DRAINS”

You can protect the environment by being aware of anything that could harm our water. Simple changes around the home can really make a big difference. The drawing below can help you identify how you can start today!

WITH YOUR PARENT(S), SEARCH YOUR GARAGE FOR THE ITEMS LISTED BELOW THAT COULD POLLUTE OUR WATER.

Bug Spray

Brake Fluid

Gasoline/Diesel Fuel

Furniture Thinner/Varnish

Weed Killer
