## PUBLIC NOTICE TO ALL BUSINESS/PERSONS IN BEVERAGE SERVICE

The City of Somerset, in conjunction with the Kentucky ABC, will be requiring that every business and person employed in the selling and serving of alcoholic beverages shall participate and complete a City-approved responsible beverage service training program. This will include all types of licenses.

Since all licenses to serve alcoholic beverages will be new, all employees must be trained prior to the opening of the sale or serving of alcoholic beverages.

Kentucky Alcohol Beverage Commission (ABC) offers the STAR Training classes in Somerset for the next few months. The tentative training dates in Somerset are August 20, September 11, October 9, November 19, and December 5. Registration for the classes can be done online by going to ABC website at [abc.ky.gov](http://abc.ky.gov).

Other training programs such as TIPS are also available and the business may already offer In-house training. No on-line training is acceptable at this time. If your business needs more information, please call Pat at the City Attorney office 679-6366.
