Dear Mayor & City Council Members:

Let me explain some of the reasons for the request for the naming of the street coming from Pumphouse Road, across from the Somersport Park.

At present we have a temporary 911 address of 500 Stewart Road. Stewart Road comes off of Hwy 39. Thus all emergency vehicles (fire, ambulance, etc) are routed from Hwy 39 and they must come across the mountain to get to us. In addition to emergency vehicles, delivery services such as FedEx, UPS, office suppliers, etc are all routed from Hwy 39 and they, too, must come across the mountain to get to us.

We are located only a few hundred feet off Pumphouse Road which would make it much easier to find us, if the first thousand feet or so had a name. This street is in the city limits but we understand that Stewart Road may be a county road.

Since we are the only building on this end of the street we thought it appropriate to name the street, "Macedonian Way".

Thank you for this consideration. If you have any questions please feel free to contact us at the office (606)677-6683 or (606)679-9465 my home.

Sincerely,

A handwritten signature in black ink, appearing to read "Leon Jasper".
