

\*\*\* Job Opportunity\*\*\*

The City of Somerset Parks & Recreation department is seeking quality workers to assist in maintaining our parks system to ensure that they are clean and safe to all our patrons.

This is a seasonal position performing general grounds maintenance and routine building maintenance at parks, park buildings, and other Commission sites. Our seasonal workers assist the ground maintenance crews with activities such as trash removal, mowing, athletic field maintenance, playground maintenance, event set-ups, and, and light trade activities (i.e., painting and carpentry). Generally, the working hours are 7:00 am to 3:30pm. Monday- Friday. There are some shifts that require weekend and/overnight work.

Applicants must be able to lift at least 80 lbs and operate trimmer, mower, and leaf blower.

Work is available mid March. Applications can be submitted at the New Energy Center, 306 E. Mt. Vernon to Human Resources.
