

Recommended Minimum 20 hours Training
for a
New Volunteer Firefighter

The following is a recommended minimum standard of subjects and training hours a new fire department member should successfully complete prior to emergency response activity.

For subject material, reference should be made to the basic firefighter training section of the KFS-1 code and categories book.

A - 0000	Administration & Organization	2 hrs	
B - 0000	Safety	2 hr	
D - 0000	Fire Behavior	1 hr	
E - 0000	Extinguishers	1 hr	
F - 0000	Personal Protective Equipment	3 hrs	
G - 0000	Forcible Entry	1 hr	
H - 0000	Ventilation		1 hr
I - 0000	Ropes	1 hr	
J - 0000	Ladders	2 hrs	
K - 0000	Fire Hose/Nozzles/Appliances	2 hrs	
M - 0000	Fire Control		1 hr
N - 0000	Salvage	1 hr	
O - 0000	Overhaul		1 hr
CC -0000	Drivers Training (Private Owned Vehicle)	1 hr	

These recommended 20 hours can be credited toward the 58 elective hours required for certification for a Volunteer Firefighter.
