

City of Somerset Utilities
Application for Service
Read and Leave On Agreement

I state that I (_____) I am the owner, landlord, or property manager of the property/properties listed on the attached page. I further state that this property will be rented and that the tenant(s) will be responsible for furnishing their own utilities.

Upon request from a tenant to have service discontinued, I hereby authorize the City of Somerset Utilities to bill the service to the name listed on the attached page until such time as a new tenant applies for service. I will accept responsibility for all amounts billed to the name listed on the attached page and shall pay said amount by the due date as indicated on each bill. Upon discontinuance of service to a tenant for non-payment of said tenant's utility bill, this account will remain off service until such time as (1) the delinquent balance is paid in full by the tenant and service is reestablished in the tenant's name or (2) I authorize the service either in person, by phone or by email, to be transferred into my name. In this event I agree to pay a **\$60.00** connect fee for water and a **\$60.00** connect fee for gas. I further agree to advise Somerset Utilities any time I am aware that a tenant has vacated the premises.

This agreement shall remain in force until either party shall advise the other by a signed and dated document via USPS or email that it should be terminated, but such termination shall not release any liability already incurred.

Per this Agreement all interim usage should be billed in the following name and mailed to the address on the attached page:
